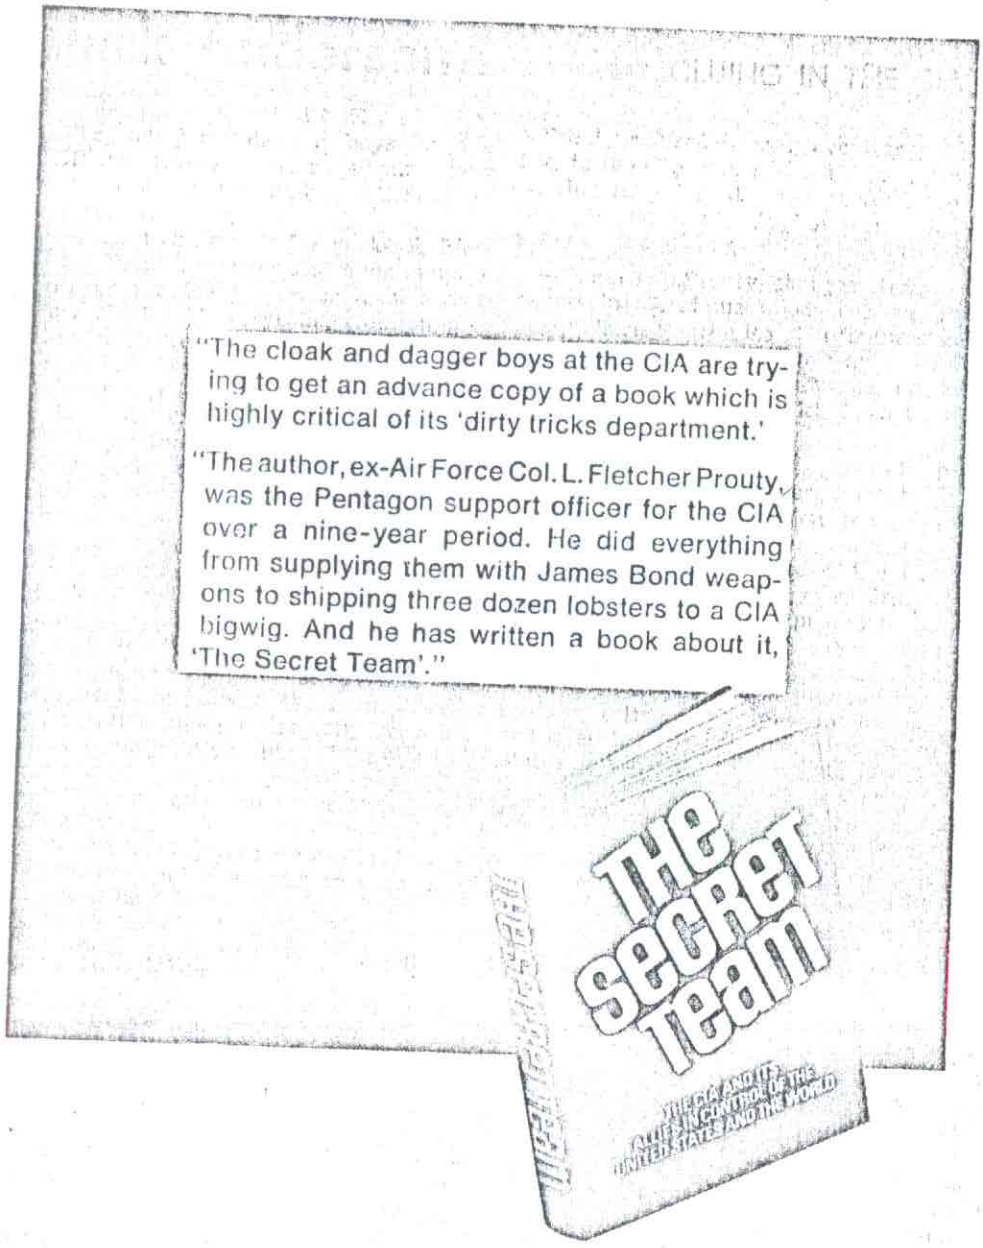
The news broke six weeks before publication in Jack Anderson's nationally syndicated column. By publication everyone will be talking about this book.



"The cloak and dagger boys at the CIA are trying to get an advance copy of a book which is highly critical of its 'dirty tricks department.'
"The author, ex-Air Force Col. L. Fletcher Prouty, was the Pentagon support officer for the CIA over a nine-year period. He did everything from supplying them with James Bond weapons to shipping three dozen lobsters to a CIA bigwig. And he has written a book about it, 'The Secret Team'."
